

NEW ADDITIONS

In our continuous efforts to enhance our research capabilities, we are happy to announce new additions to our Research/Manager Search group. Furthermore, we have added new employees to compliment our Performance Reporting, Consultant Support, and Client Services groups.

Tim Kominiarek joined us from PPM America as an Assistant Fixed Income Portfolio Manager. He has over 10 years industry experience in Fixed Income and Structured Finance. Tim holds a Bachelors of Arts in Economics from University of Illinois Champaign, and a Masters in Finance from DePaul University. In the spring of 2005, he received the Chartered Alternative Investment Analyst (CAIA) designation. He is the Assistant Director of Research with a concentration in Private Equity.

Imran Zahid joined us from Northern Trust as a Jr. Investment Manager Analyst. While there, Imran was responsible for Alternative Asset class reporting. He has over 4 years industry experience. Imran will be working with the group on hedge funds and other asset classes. Imran is originally from New York and a graduate of Baruch College - City University of New York.

Asha Sindha joined MCG from Merrill Lynch where she was a Financial Advisor in their Private Client Group. She joins the group as our Senior Investment Manager Analyst with over 7 years of varied finance and investment experience and will focus on alternative investments. Asha holds NASD Series 7, 66, and 55 licenses and has a Bachelors of Business Administration degree from Loyola University Chicago and is a Chicago native.

Rosa Limas joined us from Stratford Advisory Group, where she directed custodial services and evaluations. Rosa will apply her expertise as an Institutional Trust Relationship Manager. This newly created position, dedicated to developing and monitoring relationships with institutional trust custodians, will enhance the value of custodial and trust services we provide to our clients. Rosa brings to MCG nearly 20 years of investment industry experience and has a Bachelor of Science degree from DePaul University.

Rosie Kieskowskil came from DiMeo Schneider & Associates and has over thirty years experience in the pension fund industry. Rosie is responsible for Client Reporting for over 200 of MCG's clients. She graduated from Dominican University with a degree in Organizational Leadership and holds both NASD 7 and 63 licenses.

Peter Mastandrea joined MCG from The Northern Trust Company where he was an analyst in the Private Equity department. As a Financial Analyst at MCG, Peter resolves all return discrepancies between custodians and money managers, as well as generates client performance reports. Peter received a Bachelor of Arts in Finance from the University of Dayton, Ohio where he also played football and passed the NASD Series 7 exam.

Annie Li joined us from MIS Technology, where she was a Programmer Analyst working with a wide variety of clients and applications. For over 5 years, she has served as a banking services officer for HSBC in Shanghai, China. Annie received a Bachelor of Arts in English Language from Shanghai University and a Masters of Science in E-Commerce from the Illinois Institute of Technology in Chicago.
